

## Improv Theatre Workshop

Being able to use your voice and words with confidence is an important skill; add humour to the mix and you have a strong and confident student who can not only share knowledge, but laughter too.

During this two-day workshop participants will learn the fundamentals of storytelling, create their own on stage characters and gain the self-confidence to use their newfound talents. Exercises are designed to build spontaneity, teamwork and storytelling skills.

Price includes one ticket to the Bad Dog Theatre Co. performance of **Globehead 2011** on, Saturday, January 29<sup>th</sup> at 8:00pm in Toronto.
