

Conference 2015 - Parent Day

Saturday, February 21, 2015 - Toronto, ON

Childrens' Activities

When you register for Parent Day at the ABC 2015 Conference, you also may enroll children in activity programs. Please note that a responsible adult must be registered and in attendance at the Conference in order for children under their supervision to attend childrens' activities.

The fee is \$40 for each child, and includes:

- Participation in up to four activity sessions. Note that some activities span multiple sessions.
- Lunch.

Snacks are not provided; your child is welcome to bring his/her own nut-free snack.

Before completing the registration form, please review the list of available Children's Activities shown below. Space in each activity is limited. We will do our best to accommodate your choices.

The schedule and activity offering are subject to change without notice. If we are unable to offer a selected activity, an alternate program may be offered.

24 months to Senior Kindergarten (Children must be toilet-trained)

Preschool Fun and Games (Full Day Session)

In this full day program, children 24 months to SK, will participate in a wide variety of activities including arts and crafts, colouring, story time, games and more. Please bring a beverage and nut-free snack for your child. A minimum 1:8 instructor/child ratio will be in effect. For this program parents will need to provide children's full name, date of birth, 2 emergency contacts (name & phone# during the conference).

Notes:

- Children must be toilet-trained to attend.
 - This is a full-day program (counts as four sessions).
-

Grades 1 to 3

Learn Cursive

Children will learn the basics of cursive writing. Research suggests that printing letters and writing in cursive activate different parts of the brain. Learning cursive is good for children's fine motor skills, and may help generate more creative ideas.

Games, Games, Games - Part 1 (counts as 2 sessions)

Many games will be provided for kids to play during this session. Including Monopoly, Dominos, Apples to Apples, Oxford Dilemma, Checkers, card games and more. Kids will have fun and make new friends. You may also bring a game to share.

Games, Games, Games - Part 2 (counts as 2 sessions)

Many games will be provided for kids to play during this session. Including Monopoly, Dominos, Apples to Apples, Oxford Dilemma, Checkers, card games and more. Kids will have fun and make new friends. You may also bring a game to share.

Grades 4 to 6

Learn Cursive

Participants will learn the basics of cursive writing. Research suggests that printing letters and writing in cursive activate different parts of the brain. Learning cursive is good for children's fine motor skills, and may help generate more creative ideas. A signature is required on legal documents, is your child ready to sign?

Games, Games, Games - Part 1 (counts as 2 sessions)

Many games will be provided for kids to play during this session. Including Monopoly, Dominos, Apples to Apples, Oxford Dilemma, Checkers, card games and more. Kids will have fun and make new friends. You may also bring a game to share.

Games, Games, Games - Part 2 (counts as 2 sessions)

Many games will be provided for kids to play during this session. Including Monopoly, Dominos, Apples to Apples, Oxford Dilemma, Checkers, card games and more. Kids will have fun and make new friends. You may also bring a game to share.

Grades 6 and up

Introduction to Dungeons and Dragons, Role playing Game 1 (counts as 2 sessions)

- Sponsored by **401 Games**

Dungeons and Dragons – Come flex your imagination and play a game of adventure! Role-playing games allow you to imagine that you are a brave warrior, crafty wizard, or sly rogue, all working together to defeat the villains and save the day! This workshop will introduce players to the worlds of imagination possible playing the Dungeons and Dragons Fantasy Role-playing game. In addition to playing the game, this workshop will give you the hints and help to let you start playing this game at home with your friends.

Grades 6 and up (cont'd)
